BIO

MARINOS IS A PARTNER IN THE ASSETS & STRUCTURED FINANCE TEAM.

Marinos specialises in non-contentious shipping and shipping finance, acting mainly on behalf of private equity funds and ship-owning groups. His expertise includes working on shipbuilding contracts, supervision agreements, charterparties, ship management agreements, sale and purchase transactions as well as loan documentation, finance sale and leasebacks, IPOs and portfolio transfers.

EXPERIENCE

Advised Okeanis, the Piraeus-headquartered international shipping group, on the oversubscribed US\$100m IPO of its new eco-friendly US\$1bn crude tanker fleet.

Advised Teekay Offshore on the successful completion of a major strategic investment and financing initiatives linked to the US\$610m equity investment in Teekay Offshore by Brookfield.

Advised a joint venture between one of the big three Japanese shipowners and a Greek shipowner in connection with the financing and purchase of two LNG carriers.

Acted on behalf of a private equity fund in relation to the sale and leaseback of two LPG carriers.

Conducted due diligence in respect of the facility agreements, JOLCOs, Chinese leasing structures and other documents applicable to an NYSE listed owner of containerships in light of a proposed corporate reorganisation.
