Summary

Alexia Hatzimichalis is a partner in the Asset Finance Group. She deals with a wide range of ship finance matters. These include the drafting and negotiation of revolving and term loan facilities, shareholders' agreements, shipbuilding contracts and refund guarantees. She has recently been involved in the renegotiation of shipbuilding contracts regarding a multiple order of newbuildings by one of the largest Greek shipowning groups. She also regularly acts for buyers and sellers on sale and purchase transactions. Her clients include Greek and international banks, other financial institutions, Greek shipowning groups and US-listed companies.
