SECTORS: Energy, Oil and Gas, Power

SERVICES: Mergers and Acquisitions, Corporate and M&A, Finance, Private Equity

BIO

FRANCESCO IS AN ASSOCIATE IN THE CORPORATE AND M&A GROUP.

Francesco specialises in corporate and commercial law, M&A and private equity, and supports the team on cross-border and domestic energy transactions, including acquisitions, joint ventures and disposal of assets and business units.

More specifically, he gained experience in the renewable energy sector, including solar, onshore/offshore wind, biomass and BESS, assisting the clients in structuring the deal and negotiating the main transaction documents, such as SPAs, SHAs, JDAs, EPC agreements, O&M contracts and PPAs.

In addition to Italian, Francesco speaks English.

EXPERIENCE

Advised Copenhagen Infrastructure Partners on the acquisition of two Italian SPVs holding the rights to develop two mega-scale offshore wind projects in Sicily and Sardinia Regions, having an expected capacity of 250 MW and 500 MW respectively.

Assistenza a Tayan Energy Investment nell'acquisizione di due impianti solari italiani con una capacità combinata di 55 MW da Limes Renewable Energy.

WATSON FARLEY & WILLIAMS

Advised the Infrastructure Fund for Growth ("IPC Fund"), managed by Azimut Libera Impresa SGR, on two investment agreements with Rienergy E.S.Co. and Helios for the acquisition of 51% majority stakes in two SPVs holding the rights to develop and build two anaerobic digestion plants dedicated to the production of biomethane and high-quality compost, with an expected annual production of 108,000 tonnes.

Advised Solarfields Group on a joint venture and development agreement with Innovo Group, concerning a pipeline of 300 MW solar projects across Italy.

EDUCATION

2016 · Law Degree, Università degli Studi, Milan
