## BIO

### DAISY IS A PARTNER IN THE PROJECTS GROUP.

Daisy specialises in advising sponsors and lenders on all aspects of project-related finance transactions in the energy sector, particularly big ticket and mid-market financings. On the lender side, she works with commercial and investment banks, export credit agencies, institutional lenders and private debt funds.

Her expertise includes project and acquisition financing using conventional, ECA-backed and mezzanine techniques in the renewable, conventional power, mining and metals, and infrastructure sectors.

Daisy is recommended as an expert renewable energy lawyer by leading legal directories Chambers UK 2022 and Legal 500 UK 2022, the latter of which has described her as having “*outstanding experience in the energy sector*” and being “*able to summarise and communicate complex matters in a way which enables her clients to make informed decisions*”.

## EXPERIENCE

A syndicate of international and local commercial banks and life insurance companies in relation to the US\$3bn project financing of the Changfang and Xidao Taiwanese offshore wind projects.

EKF on its provision of guarantees to commercial and institutional lenders on a £3.5bn+ multi-tranche financing package for the acquisition of a 50% stake in the 1.2 GW Hornsea One offshore windfarm.

The institutional investors on an award winning £1.3bn bond to finance the acquisition by PKA and PFA of a 50% stake in the 659 MW Walney Extension offshore wind farm.

---

Sequoia Investment Management on the project financing of a 55 MW solar portfolio located in Poland.

---

Cubico Sustainable Investments on all three phases of its UK renewables portfolio financing provided by National Australia Bank.

---
