

ENERGY PARTNER OFFERS EXPERTISE ON THE FUTURE OF E-CHARGING IN THE UK

4 SEPTEMBER 2020 • ARTICLE

London Energy Partner Martin Lucas has written a feature article on the future of e-charging infrastructure in the UK for prominent industry magazine Energy Manager.

The article provides an overview of the e-mobility market in the UK, an analysis of the legal framework for constructing and operating EV charging points and an exploration of the incentives in place to encourage this growth of this market through subsidies and tax benefits. Martin also discusses the different business models existing in the UK e-mobility industry.
