BIO

ALESSANDRO IS A SENIOR ASSOCIATE IN THE AVIATION GROUP.

Alessandro assists air carriers in an array of matters relating to aviation law, corporate and commercial law.

His services cover drafting of legal opinions and court briefs, as well as representation in court. He also negotiates, drafts and reviews aircraft lease agreements (dry, wet, and financial), in addition to several commercial contracts at national and international level.

He has been involved in corporate merger & acquisitions projects and has assisted clients in a number of international transactions in the food manufacturing, information technology, and medical device industries. Additionally, Alessandro has developed significant experience in the day-to-day corporate management.

In addition to Italian, Alessandro speaks English.

EXPERIENCE

Advised Banco BPM, as lender, agent, arranger and hedging bank on a €25m loan granted to the Italian airline SkyAlps to finance the purchase and line-up of eight turboprop aircraft.

Successfully represented Società Esercizio Aeroporto Maremma (SEAM) before the Regional Administrative Court of Tuscany on an appeal to recognise the unlawfulness of the Ministry of Infrastructures and Transport, the Ministry of Economy and Finance, and the Ministry of Defence's failure to respond to SEAM's application for the concession of the management of Grosseto airport.

Advised Ryanair in its successful appeal against the Italian Ministry of Infrastructure and Transport's Decree No. 2/2020, which had imposed Public Service Obligations on scheduled air services to and from Trapani airport to guarantee territorial continuity, as well as against the subsequent procedures for assigning traffic rights, on an exclusive basis and with compensation, to the competitor carriers TayanJet Jet and AlbaStar.
