SECTORS: Maritime, Containers and Logistics, Commercial Shipping

BIO

PETER IS A MANAGING ASSOCIATE IN THE MARITIME GROUP.

Peter specialises on national and international maritime trade law. In his previous station at an international shipping law firm in Hamburg, Peter advised on all aspects of dry shipping and on international trade in particular on transport law.

Peter further advises on the sale and purchase of vessels.

During his legal clerkship, Peter worked at the Maritime Industry Department of the Federal Ministry of Economic Affairs and Energy in Berlin and at a shipping law firm in London.

EXPERIENCE

Advising the owner of expedition cruise vessels on a joint-venture agreement with crew managers including advising on the BIMCO contracts.

Advising owners on sale and on purchase of vessels including all contractual agreements, (de-)registration, charter arrangements, closing and payment procedures.
