## BIO

### BRITTA IS HEAD OF THE DUSSELDORF OFFICE AND A PARTNER IN THE ENERGY GROUP.

She has over 15 years' experience specialising in energy and energy trading law and advises clients on all issues concerning the regulation of the energy industry and contractual matters, with a focus on energy related issues. Her expertise covers particularly the areas of contract negotiation and drafting of energy trading and energy supply contracts, PPAs and all energy contractual arrangements that energy suppliers are dealing with in the context of implementing the energy transition. Britta also advises clients taking their first steps into hydrogen projects.

Further, Britta regularly advises on power plant projects, joint ventures and co-operations in the energy sector.

Her clients include energy trading companies, utilities, power plant operators as well as industrial companies, network operators and project financing banks.

## EXPERIENCE

Advising Enervie Group on its first-of-its-kind outsourcing agreement with the German municipalities of Plettenberg and Werdohl in the North-Rhine Westphalia region to manage their gas and water supply for an initial term of 10 years on a fixed lease income basis.

Advising enercity Erneuerbare GmbH, a subsidiary of enercity AG, on its acquisition of the 'Horizon' wind farm portfolio consisting of 60 onshore wind farms with a total capacity of 365 MW based in north-west Lower Saxony, Germany, from the owners of the Norderland Group.
