SECTORS: Airports, Digital and E-Infrastructure, Energy, Road, Bridges and Tunnels, Oil and Gas, Infrastructure, Social Infrastructure, Power, Rail, Ports and Terminals

SERVICES: Joint Ventures and Strategic Alliances, Mergers and Acquisitions, Corporate and M&A, Private Equity

BIO

DIRK IS A PARTNER IN THE CORPORATE AND M&A GROUP.

Dirk specialises in private equity and M&A matters focussing on leveraged buy-outs and cross-border mid and large-cap transactions. He also has significant project experience in the energy and infrastructure sectors.

His clients include corporates, funds, institutional investors and private equity houses.

Dirk worked for various international companies and law firms in Germany, the UK and Asia before joining WFW. He is a co-author of a commentary on private equity law and regularly publishes articles on corporate law-related topics. He is fluent in German and English.

He has been consistently recommended for his M&A and private equity expertise by legal directories JUVE Handbuch, Legal 500 EMEA and Who's Who Legal.

EXPERIENCE

Advising KGAL Investment Management's Article 9 Impact Fund KGAL ESPF 6 on its investment in a hydrogen-based e-kerosene production plant being developed by Arcadia eFuels at Vordingborg, Denmark.

Advising KGAL GmbH & Co. KG on the acquisition of five wind farm portfolios in Germany and France with a total capacity of approximately 135 MW.

Advising the Tradebe-Group on the acquisition of Tanklager Wilhelmsburg GmbH from BDH Biodiesel Hamburg GmbH, a subsidiary of the Dr Oetker Group.

Advising funds managed by Alpina Capital Partners LLP on the acquisition of a majority interest in Objective International NV, a well-established specialist in the process and discrete manufacturing execution system and warehouse management system sector.

Advising UNIBAIL-RODAMCO on its €860 million investment in the development of the southern Überseequartier in Hamburg's HafenCity, Europe's biggest inner-city development project.
