BIO

ANDREW IS A PARTNER IN THE DISPUTE RESOLUTION GROUP.

Andrew has experience in a broad range of commercial and financial disputes including international arbitrations, bilateral investment treaty disputes and general litigation matters with a strong focus on the shipping, aviation, mining and commodities, oil & gas and other energy sectors.

His shipping expertise encompasses shipbuilding, ship repair, MoA, charterparty, cargo, enforcement and other dry shipping disputes including in specialised sectors such as LNG and cruise. In the aviation sector, he advises on repossessions, lease redelivery, airframe and engine damage, base maintenance and insurance disputes.

Andrew's natural resources expertise extends to commodities trading, trade finance and mining investment disputes, while his experience in the offshore oil & gas and energy sectors covers construction, drilling and service agreement disputes, as well as wider industry disputes such as judicial reviews.

He is recommended by Legal 500 UK 2023, who described him as being "conscientious, diligent, intellectually strong, a commercially-savvy lawyer" and "able to see every angle and out-think the opposition".

EXPERIENCE

Advising Norwegian bondholders in relation to the termination of charterparties and enforcement of mortgages over offshore supply vessels.
