SERVICES: ECA Finance, Islamic Finance, Real Estate Finance, Project Finance, Asset Finance and Leasing, Restructuring and Insolvency

BIO

ALHASSANE IS A PARTNER IN THE PROJECTS GROUP.

Alhassane specialises in international project development and financing in power, infrastructure, telecommunications, metals/mining, oil and gas and natural resources. He has extensive experience acting for sponsors, developers, project companies, equity investors and financiers, particularly in Middle East, Asia and Africa.

He is well regarded by legal directories, being described in Chambers & Partners Global Rankings as “*very thorough; his strong point is the ability to explain every detail of these matters that he knows inside and out*”.

Alhassane speaks French, English, Fulani, Sussu and Mandingo.

EXPERIENCE

Advising the Republic of Guinea on the US\$15bn Simandou project, the world largest mining and related rail and port infrastructure project.

Advising a leading power developer, as sponsor on a 50 MW Al- Husainiyah Solar PV IPP in Jordan; a 200 MW Abydos Solar IPP in Egypt and the Amunet 500 MW Wind IPP in Egypt.

Advising a syndicate of lenders (including multilateral agencies and development financial institutions) on the financing of 8 solar PV projects in Egypt, as part of the Feed in Tariff Programme - Round 2.

WATSON FARLEY & WILLIAMS

Advising a leading Middle-East based port company on its potential investments in nine ports and logistics businesses across Africa and the Middle East.

Advising a syndicate of lenders (including multilateral agencies and development financial institutions) on the financing of LNG facilities (FRU and FSU) in Ghana.
