## BIO

### IGNACIO SORIA IS A SENIOR ASSOCIATE IN THE REGULATORY & PUBLIC LAW GROUP.

He advises national and international clients on all kind of regulatory and energy law matters, with a special focus on the electricity sector (both ordinary regime generation and renewable energies).

In particular, he has a wide experience advising on the implementation and promotion of renewable energy projects (photovoltaic plants, wind farms, solar thermal plants, etc.), in all aspects related to the different sectors of administrative activity; as well as on legal auditing processes and preparation of reports and legal opinions in the renewable energy sector within the framework of project financing operations, corporate operations (SPAs/APAs), among others.

He also provides legal assistance in administrative and contentious proceedings in relation to multiple sectors (public procurement, securities market, auditing of accounts, internal trade, energy, etc.); and in urban planning issues, such as real estate and urban complexes.

Before joining the Watson Farley & Williams team, Ignacio worked at Spanish law firms Garrigues and Gómez-Acebo & Pombo.

## EDUCATION

2014 · Executive Course in Business Law – Centro de Estudios Garrigues

2008 – 2014 · Law Degree, Universidad Pontificia Comillas  
ICADE (E-3)
