BIO

MAIRA IS COUNSEL IN THE PROJECT & STRUCTURED FINANCE GROUP.

Maira specialises in project and structured finance, mergers and acquisitions and regulations within the energy sector.

She has extensive experience in the Greek energy market and related regulations, environmental law and land rights, as well as advising on corporate structures and corporate governance.

Since joining the firm in 2007, she has worked on numerous complex share sale and acquisition transactions in the Greek energy and infrastructure sectors, as well as in privatisations.

Maira is recognised as a rising star in Energy by Legal 500 EMEA and an Up and Coming Lawyer by Chambers & Partners Europe and is described as “an increasingly prominent lawyer who receives praise from the market for her experience in the renewable energy sector, as well as her handling of finance mandates”.
