BIO

RYAN IS A PARTNER IN THE LONDON PROJECTS GROUP.

Ryan advises on a range of structured finance transactions, with a particular focus on infrastructure financings and related M&A, advising sponsors (including financial investors) and all types of funders (including commercial banks, institutional investors and multi lateral agencies).

His experience spans a range of products, including acquisition and leveraged finance, portfolio financings and debt platforms, across multiple infrastructure and energy sub sectors and geographies.

EXPERIENCE

Advising the lenders and institutional investors in relation to the financing of the D4 Highway project in the Czech Republic.

Advising SIRO as borrower on the financing for the rollout of a fibre to the home (FTTH) network in Ireland.

Advising the lenders and institutional investors on an acquisition financing of Medipass srl, a European healthcare infrastructure business.

Advising the financiers on the acquisition of HS1, the UK's first high speed railway.

Advising an infrastructure fund on its bid for a stake in Adriatic LNG, an offshore LNG terminal in Italy.
