## BIO

**ANASTASIOS (TASOS) IS A SENIOR ASSOCIATE IN THE PROJECT & STRUCTURED FINANCE GROUP.**

Tasos specialises in energy law, advising international and domestic clients on investments in the energy sector, with emphasis on renewables and battery storage projects.

Tasos is regularly involved in large scale M&A transactions and has experience in the energy regulatory framework, project development and construction contracts and real estate. He has a MSc in Law and Engineering for Energy from the University of Thessaloniki. He is also an experienced litigator in civil and administrative law disputes, having represented numerous clients before the Greek Courts, including the Supreme Court.

Tasos has been recognised in Legal 500 EMEA 2024 edition, where clients commented that: *“Tasos is the kind of lawyer you want to have by your side because of his extraordinary commitment, approachability, readiness and thoroughness, among others. He advises in a strategic manner considering the reality of the business and market...”*

## EDUCATION

2019 · M.Sc. “Law and Engineering for Energy”, Faculties of Law and Civil Engineering, of Aristotle University of Thessaloniki

2004 · LL.B., Aristotle University of Thessaloniki
