BIO

TIZIANA IS A PARTNER IN THE PUBLIC LAW AND CORPORATE AND M&A GROUPS.

Tiziana specialises in national and international M&A, private equity, and corporate/commercial transactions, with particular emphasis on power and utilities projects.

She is also experienced assisting Italian and international companies on high-profile corporate transactions and advising on administrative and regulatory matters, particularly in the energy and natural resources sectors.

She is the main point of contact at WFW Italy for all issues relating to domestic legislation regarding the incentive regime for renewable sources also before the Italian administrative courts as well as on Italian Legislative Decree no. 231 of 8 June 2001.

In 2023, Tiziana was ranked “Key Lawyer” in the Energy, Dispute Resolution and Commercial, Corporate and M&A categories by Legal500 EMEA. She was also recognized as “Best” lawyer in Energy & Infrastructures by Milano Finanza.

In 2022, Tiziana has been mentioned for her expertise with regard to Energy & Infrastructure, M&A Mid-Market, Public Law and Real Estate in the prestigious guide “I migliori avvocati e i migliori studi legali corporate” (“Best lawyers and law firm in Italy 2022”) in Italy published by Class Editori.

In addition to Italian, Tiziana speaks English and French.

EXPERIENCE

WATSON FARLEY & WILLIAMS

Advised Copenhagen Infrastructure Partners on its partnership with GreenIT on an agreement to develop three offshore wind projects in Italy's Lazio and Sardinia regions. The projects will be located on average roughly 30 km off from the coast and have an overall installed capacity of approximately 2 GW.

Advised Elawan Energy on the acquisition of two photovoltaic projects currently under development in Puglia, southern Italy, from a local developer. The two plants are estimated to be operational by 2025 and will have a capacity of circa 20.4 MW, and 51.2 MW respectively.

Advised AvenHexicon, a joint venture 50-50 owned by Stockholm-listed Hexicon and Bologna-based renewables developer Avapa Energy, on grid and maritime concession applications for five floating offshore wind farms off the coasts of Sicily, Sardinia and Puglia.

Advised Infranity, on behalf of its funds, on a circa €120m financing for the construction of a 178 MW portfolio of seven solar PV assets in Italy, owned by Peridot Solar a portfolio company of FitzWalter Capital.

Advised Swedish energy company OX2 on commercial, corporate and regulatory law aspects related to the development of a 300 MW solar pipeline in Italy, which includes, among others, the co-development of an Italian photovoltaic project with Avapa Energy. The ground-mounted photovoltaic project is currently under development in Sardinia and will have a total installed capacity of c. 30 MW upon completion.
