

## WFW MILAN RELOCATES TO SUSTAINABLE N4 BUILDING

4 JULY 2022 • PRESS

**Watson Farley & Williams (“WFW”) is delighted to announce that its Milan office has relocated to the N4 Building, located in the heart of the city’s historical centre, on Via Gaetano Negri 4.**

Thanks to its sustainable and environmentally-friendly design and renovation, the new building will obtain LEED (Leadership in Energy and Environmental Design) silver certification in addition to WELL bronze certification for its commitment to creating an office environment that promotes and sustains employee well-being. With a panoramic view of the historic Duomo, the new office will support WFW’s growth in Milan and boost the firm’s presence in the city and in northern Italy.

WFW Italy Head Eugenio Tranchino commented: “Our move to bigger premises in Via Negri is a reflection of the success of our Milan office as we continue to increase our headcount, client base and market share of legal work across all service lines in our core sectors.”

WFW Managing Partner, Lindsey Keeble added: “This move reflects our continued investment in Italy and commitment to supporting our clients’ growing business needs as we expand in Milan.”
