BIO

ANASTASIA IS AN ASSOCIATE IN THE CORPORATE GROUP.

Anastasia specialises in M&A-transactions, joint ventures, and project development transactions, with a focus on renewable energy and infrastructure sectors.

Anastasia has been a member of the corporate group team as a trainee and a transaction lawyer for over three years and, therefore, she has already gained valuable experience by assisting in strategic M&A deals, such as the acquisition and sale of on- and offshore wind and solar energy projects in Germany and other European countries, as well as national and cross-border joint ventures, in particular in relation to renewable energy projects.

During her legal clerkship she completed a supplementary course in energy law at the German University of Administrative Sciences, Speyer.

Anastasia is also a qualified Russian lawyer. She had studied international law in Moscow. After her graduation she worked at an international law firm in Moscow where she advised clients from German speaking countries on corporate and contract law matters.

EXPERIENCE

Advising Eavor Technologies Inc. Group on Chubu Global Investment B.V.'s acquisition of a 40% stake in the Geretsried geothermal project in Bavaria.
