BIO

ALESSIA IS A COUNSEL IN THE REAL ESTATE GROUP.

Alessia has consolidated experience in the field of real estate transactions (both in the form of asset deals and share deals).

She assists both Italian and foreign institutional clients (asset management companies, investors, real estate funds, banks), as well as private clients, in real estate investments and developments in Italy. She boasts significant experience in contracts specialised in real estate asset management (asset, property and facility management contracts, construction and redevelopment contracts and lease agreements). In particular, she focusses on the logistic, office, retail, residential and hotel sectors.

Alessia also assists clients in repossession and any dispute resolution involving real estate assets and their management.

She advised also on structuring, development, and management of infrastructure projects.

In addition to Italian, Alessia speak English, French and Spanish.
