## BIO

### VASSO IS A SENIOR ASSOCIATE IN THE PROJECT & STRUCTURED FINANCE GROUP.

Her main area of expertise is energy law.

Vasso advises corporate clients concerning a range of energy projects on all aspects of the applicable regulatory framework, EU law and competition law, as well as on environmental and climate change laws and regulations. Moreover, she handles the legal aspects of complex infrastructure projects at all stages (from planning, funding and development to operation, management and decommissioning), dealing with specific regulations and contracts (PPP/PFI, EPC, O&M etc.). She is recommended for her expertise in Energy by Legal 500 EMEA.

She also has substantial experience in administrative litigation, as well as conflict prevention, management and resolution in general. She represents clients before courts in sector-specific energy disputes. She accepts appointments as mediator and arbitrator, being included in the rosters held by leading institutions.

In addition, Vasso is Senior Research Fellow at the Hellenic Institute of International and Foreign Law and conducts training courses for Mediators at the Panteion University of Social and Political Sciences. She regularly publishes and participates as speaker in conferences in the fields of her specialisation, often serving as Greece's national reporter at international legal fora.
