**SECTORS:** Energy, Mining and Commodities, Oil and Gas, Power

**SERVICES:** Construction, Corporate and M&A, Dispute Resolution, Regulatory, Public Law

## BIO

### JULIEN IS A SENIOR ASSOCIATE IN THE ENERGY GROUP.

Julien specialises in Dispute Resolution. He advises on complex legal disputes with a focus on the energy sector and represents national and international clients in legal proceedings in front of national courts. In addition to individual complex disputes, Julien has experience in the area of mass litigation.

Furthermore, Julien's practice focusses on energy law, especially on regulatory matters.

He also has practical experience in representing clients in energy law complaint proceedings and in administrative proceedings.
