BIO

HAMISH IS AN ASSOCIATE IN THE REGULATORY, PUBLIC LAW & COMPETITION GROUP.

Hamish has a range of regulatory experience across the energy, infrastructure and transport sectors.

He has acted for a variety of clients, both private and public, across contentious and non-contentious matters. He also has experience analysing environmental, planning and health & safety due diligence issues in project finance and corporate transactions, in delivering training on UK environmental and health & safety regulation to executive teams, in assisting clients with UK grid issues, and in judicial review.

EXPERIENCE

Advising global solar developer Lightsource bp on the sale of a portfolio of 58 operational assets to a consortium comprising GLIL Infrastructure and Bluefield Solar Income Fund.

Advising energy and infrastructure clients on UK health and safety law compliance and carrying out health and safety strategy reviews.

Assisting shipping companies and financial institutions on compliance with EU and UK carbon credits and emissions trading systems.

WATSON FARLEY & WILLIAMS

Advising manufacturers and importers on various aspects of EU and UK product safety and conformity regimes (particularly regarding post-Brexit issues).

Advising transport and energy clients on UK and EU environmental compliance, such as ship and battery recycling.
