**SECTORS:** Energy, Transport

**SERVICES:** Business and Human Rights, Dispute Resolution, Public International Law

## BIO

### LAUREN SATILL IS AN ASSOCIATE IN THE DISPUTE RESOLUTION GROUP.

Lauren is a foreign qualified lawyer. She began her career at a top international firm in Australia before moving to the United Kingdom.

Her practice focusses on Environmental, Social and Governance matters with a keen interest in business and human rights. She has worked with a diverse range of clients on ESG matters, particularly focussing on modern slavery.

Lauren's dispute resolution experience includes general commercial litigation, class actions and employment litigation. She has worked on a variety of high-profile matters including for government bodies and publicly listed companies

## EXPERIENCE

Acting for an Australian government body in relation to a class action brought against it in the Supreme Court of New South Wales alleging negligent administration.

Advising and acting for a major airline on the termination of an enterprise agreement.

Acting for one of Australia's largest construction materials companies in a case brought by the regulator regarding exposure of workers to silica dust.

Investigating complaints of sexual harassment on behalf of an international media company.

---
