BIO

PARIT IS AN ASSOCIATE IN THE ASSETS AND STRUCTURED FINANCE GROUP.

Parit advises banks, financial institutions, owners and operators on all aspects of loan, security and leasing documentation within the maritime, aviation and rail sectors. He also has experience on advising clients on ECA-backed and common terms platform financings and the sale and purchase of ships, aircraft and rolling stock.

Parit has worked across the firm's London, Paris and Singapore offices and has spent time on secondment at an aircraft lessor.

Prior to joining the firm, Parit previously worked at a British rolling stock company as a Legal Adviser where he was responsible for advising on a range of commercial, newbuild procurement, leasing and financing transactions.

EXPERIENCE

Advising Ermewa Holding on its establishment of a common terms platform, enabling the restructuring and refinancing of its group debt through a combination of multicurrency secured bank debt and US private placement notes for a total value of circa €1.5bn.

Advising Cartesian Capital Group in connection with its investment of US\$50m of equity capital into affiliates of the Viva Air Group to finance Air Viva's pending deliveries of Airbus A320 aircraft.

WATSON FARLEY & WILLIAMS

Advising BNP Paribas as co-ordinating bank and agent, together with a syndicate of four other banks as lenders, in connection with a US\$439m SINOSURE-backed financing of 86 exhaust gas cleaning systems.

Advising Hoegh LNG on its first ever sale and leaseback deal with China Construction Bank Financial Leasing for its tenth Floating Storage Regasification Unit.

Advising ING Bank, a branch of ING-DiBA AG, as lender, facility agent, and mandated lead arranger on a circa €19m multi-tranche loan facility to Borusan Mannesmann Boru.
