

WFW SUPPORTS AVOLON ON ORDER OF 100 A321NEO AIRCRAFT FROM AIRBUS

14 DECEMBER 2023 • PRESS

Watson Farley & Williams (“WFW”) supported Avolon on its recent agreement for the order of 100 A321neo aircraft from Airbus. The aircraft are scheduled for delivery out to 2032.

This year, Avolon has added 200 new technology aircraft to its orderbook direct from OEMs, building on a previous order for 20 Airbus A330neo aircraft in September, which WFW also supported on.

The A320neo family of aircraft reduce fuel use and carbon emissions by up to 20% compared to the older generation aircraft that they will replace.

Avolon is an Irish-based, leading global aviation finance company with a focus on maintaining a fleet of young, fuel-efficient aircraft.

Assets and Structured Finance Partner Chris Mitchell commented: “We are very proud to advise Avolon on this large-scale order that will strengthen their delivery pipeline and fulfil their future growth plans. I would also like to thank Liam Clozier who provided valuable support in this transaction”.
