BIO

FELICIA IS AN ASSOCIATE IN THE PROJECTS AND CORPORATE GROUP.

Felicia specialises in a broad range of corporate work, with experience in advising clients in the energy sector. She is dual qualified in England & Wales and Indonesia.

Prior to working in Singapore, Felicia was a member of an international law firm in Indonesia, where she worked closely with various Indonesian companies (including state-owned enterprises) and international companies in matters relating to regulatory compliance, general corporate, and debt financing governed under Indonesian laws and regulations.

Felicia speaks fluent Bahasa Indonesia and intermediate French.
