## BIO

### LUZIA IS AN ASSOCIATE IN THE REGULATORY, PUBLIC LAW & COMPETITION GROUP.

Luzia's main areas of expertise are administrative, public procurement and state aid law, where she specialises in infrastructure and digitalisation projects with an industry focus on education & research, health, mobility and telecommunications.

Luzia advises on the legal conception, preparation and implementation of procurement procedures (construction, supply and services) and competitive procedures (concessions) as well as the drafting of service agreements and conducting of negotiations. She also represents clients in review proceedings and other (judicial) disputes. In addition, she advises on regulatory issues in support of transactions.

Luzia's clients include public authorities and municipalities as well as public and private companies, banks and investors.
