BIO

PATRICK IS A PARTNER IN THE ASSETS AND STRUCTURED FINANCE GROUP.

Patrick specialises in finance transactions and restructurings across the transport sectors, with a particular focus on aviation and shipping.

He regularly advises banks, funds, borrowers and operators on cross-border syndicated and private placement loans, restructurings involving more than one class of debt, leasing transactions, export-credit backed financings, preferred equity investments and structured products.

Patrick has worked in the firm's London, Singapore and Greek offices and has undertaken secondments to a banking client.

Patrick's recent work in the aviation sector includes acting on headline restructuring transactions including acting for creditors to Virgin Atlantic Airways in its recent restructuring by way of a UK Restructuring Plan and advising on the Norwegian Air Shuttle bond restructuring.

Patrick is co-editor of the English Conflict of Laws chapter in McBain. He is also named on Airline Economics' prestigious 40 under 40 2020 list, which recognises the most outstanding individuals in that age group active in the aviation finance and leasing industry.
