**SECTORS:** Maritime

**SERVICES:** Finance

## BIO

### ANNA IS AN ASSOCIATE IN THE ASSETS AND STRUCTURED FINANCE GROUP.

Anna specialises in asset financing and restructuring of finance transactions. She advises national and international clients, in particular banks and financial institutions on ship finance matters. Her areas of practice include amongst others leasing transactions, syndicated loans and portfolio sales.

She also has experience in regulatory advice with a particular focus on the implementation of EU and national legislation in the financial services sector (e.g. MiFID II, EMIR, BMR and MAR).

## EXPERIENCE

Advising Joh. Berenberg, Gossler & Co. KG as lead counsel on a \$135 million Fund Level Facility for the purpose of re-financing sale-and-lease-back ship transactions concluded by a subsidiary of fund managed by Meerbaum Capital Solutions. This deal won Structured Finance Deal of the Year 2020, Marine Money.

## EDUCATION

2019 – Master of Laws (LL.M State and Administrative Law in Europe – with a focus on financial regulation), German University of Administrative Sciences Speyer

2018-19 – Research assistant (Financial Regulation and Funds) at an international law firm, Frankfurt am Main

2017 – Second State Examination, Hamburg

2015 – First State Examination, Münster

2008-14 – Law Studies Berlin (Freie Universität) and Münster (Westfälische Wilhelms-Universität) with a focus on banking and capital market law
