Biography:

Alfredo is a Partner in the Asset Finance Group.

Alfredo is a transport sector specialist, with extensive expertise in ship, aviation and rail finance. He advises both domestic and international financial institutions, lessors, shipowners and airlines on a wide variety of matters including tax-driven structured transactions (Spanish tax leases and operating leases) and export finance.

Alfredo is also experienced in advising on the financing of port terminals, ship arrests, regulatory matters, aircraft repossessions and arbitrations relating to disputed ship building contract disputes. He is recommended as a leading transport finance lawyer by legal directories Chambers Europe and Legal 500 EMEA. In 2019, Chambers described Alfredo as an “exceptional maritime lawyer” who has a “very thorough knowledge of the sector and is able to explain complicated concepts”.
