Biography:

Beatriz is an Associate in the Corporate group of the Madrid office.

She specialises in advising both local and international clients across all types of corporate M&A transactions, private equity investments, corporate dealings, fund formation and business restructuring at both global and local levels. She also advises companies on diverse corporate matters, as well as on their corporate day-to-day matters.

Beatriz regularly advises Spanish and foreign companies on various types of commercial contracts including supply, distribution and lease agreements.

Before joining the firm, she was an Associate in the Corporate – M&A department at Cuatrecasas.
