Biography:

C.J. Chido is an associate in the firm's Asset Finance group in New York.

C.J. focuses his practice in the maritime sector and primarily acts for banks, financial institutions and private equity funds in cross-border asset-backed financings.

He also frequently advises ship owners in connection with the leasing, operating, sale and purchase of a variety of vessels in domestic and international markets.

In these roles C.J. also regularly advises on matters of Marshall Islands and Liberian corporate and maritime law.
