Biography:

Catherine is an Associate in the REAL ESTATE GROUP IN PARIS.

She works in all areas of property law (leases, construction, sales, urban planning), in an advisory capacity or in disputes. She also reviews the real estate aspects of renewable energy projects.

Catherine graduated with a Master's degree in general private law from Pantheon-Sorbonne University, and began her career in a firm specialising in real estate and construction law where she developed an expertise in commercial leases and construction law.
