Biography:

Charlotte is a senior associate in the firm's Asset Finance Group in London.

Charlotte specialises in asset finance, leasing and shipping transactions focusing on the maritime sector and has advised on loan facilities, leasing arrangements, restructurings and portfolio transfers. She has extensive experience in acting for both lenders/financiers and borrowers/owners in secured lending transactions relating to various types of vessels.

Charlotte joined Watson Farley & Williams as a trainee in 2003 and qualified in 2005 and has spent time working in our Singapore, Piraeus and Paris offices.
