Biography:

Christian is a Partner in the Maritime Group.

Christian acts for shipowners, managers, investors and a broad range of other market participants in the maritime industry.

He advises in relation to shipbuilding, the sale and purchase of second-hand tonnage, all flag and registration matters as well as on the employment, operation and management of ships. Another strong focus of his practice is in investments, joint ventures and M&A transactions in the maritime sector.

He also represents parties in insolvency and enforcement proceedings, including advising insolvency administrators on shipping-related issues, as well as on contentious matters.

Furthermore, Christian has broad experience in advising international and domestic clients on all aspects of ship finance. This includes advice in respect of complex syndicated financing structures, high profile restructurings as well as warehouse and platform solutions.

Christian's advice to ship owners and other shipping companies is noted in legal directory JUVE Handbuch and he has been recognised by legal directory Legal 500 EMEA for his "strong industry knowledge, pragmatic approach and good results".
