**Mobile:** +49 151 440 48 613

**Email:** cschindler@wfw.com

**LinkedIn profile:** <https://www.linkedin.com/in/christian-schindler/>

## **Biography:**

**Christian is a Senior Associate in the Corporate Energy & Infrastructure and the Regulatory & Public Law teams based in Hamburg.**

Christian specialises in national and cross-border mergers and acquisitions and joint ventures, with a particular focus on the renewable energy, infrastructure, logistics and shipping sectors. He also advises on public energy law.

Recent transactions include strategic M&A deals, such as the acquisition and sale of on- and offshore wind and solar energy projects in Germany and other European countries, as well as national and cross-border joint ventures, in particular in relation to renewable energy projects.

In the energy and infrastructure sectors, he regularly advises on regulatory aspects of projects in renewable and also conventional energy, with a focus on permit, grid connection and remuneration of onshore and offshore wind projects.

Christian's clients include German and international companies as well as financial investors, banks and project developers.
