LinkedIn profile: <https://www.linkedin.com/in/emmanuel-ninos-8a808013/>

Biography:

Emmanuel is a Partner in the Projects Group.

Emmanuel's practice focusses on project contract documentation, including all forms of construction contracts, and operation and maintenance contracts, supply and offtake contracts, power purchase agreements, concession agreements and ancillary documentation such as direct agreements and performance security reviews.

He has experience in the energy, infrastructure, oil & gas and mining & commodities sectors and regularly advises on projects across the UK, continental Europe, Africa and the Middle East. He has special expertise in the renewable energy sector (solar, onshore and offshore wind, biomass, energy from waste and hydro projects).

Emmanuel has also been independently recognised for his expertise by leading legal directory Chambers UK 2022, where he is ranked for non-contentious construction matters. He has also been recognised in Legal 500 UK, where clients said "*Emmanuel Ninos has been central to the success of major contracts and we look forward to continuing to work with him.*"

Emmanuel speaks fluent English and Greek and conversational French.
