Biography:

Felicity is Global Real Estate Sector Head and a Partner in the CORPORATE AND M&A GROUP.

Felicity acts primarily for clients with real estate assets or trading activities where such assets are fundamental to their business, most notably in the hotel sector.

In addition to the acquisition and disposal of portfolio and individual real estate assets and portfolios in the UK and continental Europe, Felicity also advises a broad range of clients on corporate matters including joint ventures, the grant of options, sale and leaseback or management arrangements, operating agreements and franchises for owners and operators (in jurisdictions from the UK to the Middle East). She assists in managing disputes, and works with management teams and/or lenders regarding development, structure, fundraising (loan and equity) and security issues.

Felicity is recognised for her expertise in the hotel sector by leading legal directories Chambers UK and Legal 500 UK. In 2019, Chambers noted that “she knows hotels inside out” and is “very pragmatic and entirely user-friendly”, while Legal 500 highlight her “robust legal and commercial insight’ and “prompt client correspondence”.
