Biography:

Gerrit is a Partner in the Tax Group.

Gerrit specialises in international tax law, with a strong focus on projects in the renewable energy, real estate and maritime sectors.

His expertise spans structuring advice for both buyers and sellers in M&A and private transactions, tax contract drafting and negotiations, double taxation and the EU law aspects of cross-border transactions.

Recent work highlights include advising on the structuring of international investments into German renewable energy (onshore and offshore wind) projects and the maritime industry.
