Biography:

Gianluca Di Stefano is an Associate in the Corporate Department

He specialises in administrative law, with a special focus on public procurement law. In particular, Gianluca assists Italian and foreign companies, as well as public authorities, providing advice with regard to tender procedure, public-private partnership (PPP) contracts and administrative procedures. Gianluca has gathered experience in litigation and dispute resolution between private companies and public authorities in relation to public procurement.

Gianluca obtained his Law Degree (J.D. equivalent) from the University of Salerno in 2010, with a thesis entitled “The extraordinary appeal to the President of the Republic”. In 2013, he was admitted to the Italian Bar. Gianluca also obtained, in 2013, a Master in administrative law from the University of Rome Tre, with a thesis entitled “Public companies and public-private partnerships”.

Gianluca joined Watson Farley & Williams in 2017.
