LinkedIn profile: <https://www.linkedin.com/in/javier-ruff%C3%ADn-85247230/>

Biography:

Javier is a Senior Associate in the Corporate group.

He advises on all types of corporate/M&A transactions, both at global and local levels, particularly bidding processes and joint ventures (shareholders agreements, consortium agreements, etc.), as well as corporate day-to-day matters.

Javier is mainly involved in the renewable energy sector (photovoltaic, wind, thermosolar, biomass and biodiesel), oil and gas sector (particularly, in Latin America), mining and commodities, as well as infrastructure (railways, ports, airports, electricity transmission networks, etc.).
