LinkedIn profile: <https://www.linkedin.com/in/jennifer-charles-b9813962/>

Biography:

Jennifer is a Senior Associate in the firm's Energy & Infrastructure group in London.

Jennifer specialises in domestic and international project financings and renewables projects.

Jennifer has experience of a range of international and domestic projects, focussed on the financing aspects of deals though also encompassing some commercial projects and regulatory matters.

Her sector experience has spanned projects in the energy, power, water and infrastructure sectors across a range of jurisdictions.

Jennifer recently completed a secondment to the project finance team of a major international bank.
