Biography:

Joe is a Partner in the Energy Group.

Joe advises lenders and sponsors on a number of project finance, acquisition finance, reserve base lending and other structured financings and has a particularly impressive track record in the upstream oil and gas sector, advising E&P companies and both multilateral and commercial lenders.

Joe advises on transactions across Europe and Africa including the UK North Sea, Egypt, Morocco, Nigeria and Ghana.

He is recommended for his trade finance and oil and gas expertise by leading directories Legal 500 UK and IFLR 1000, with the former styling him “very reactive, efficient and pragmatic”.
