Biography:

Jose María is a Partner in the Finance Group.

With a strong focus on the energy, infrastructure and transport sectors, Jose Maria specialises in project finance and other strategic transactions, including greenfield asset financing and brownfield project refinancing and restructuring. His diverse client base includes sponsors, banks, investment funds and institutional investors.

Jose Maria also has significant expertise advising on public procurement, administrative law (public concession agreements and tendering) and energy efficiency matters.

He is recognised as a leading Spanish project finance lawyer by prestigious legal directories Chambers Europe and Chambers Global. In 2019, they noted that clients “commend his technical knowledge” and that “he is very flexible and always finds a good solution for both parties”.
