Biography:

Marcus is a partner in the London Dispute Resolution Group.

A highly experienced marine litigator and Master Mariner, Marcus has a broad practice spanning both dry-shipping, offshore and Admiralty matters, both contentious and non-contentious.

A recognised expert in offshore and LNG shipping, he has been engaged as legal advisor to leading international industry body SIGTTO (Society of International Gas Tanker & Terminal Operators Ltd) for many years and sits on Lloyd's Register's Classification Committee.

He is recommended by Legal 500 UK 2021, who describe him as being "very well-regarded for his incisive and well-thought-out advice, particularly on casualty matters."
