Biography:

Marie-Theres is an Associate in the Projects and Structured Finance Group.

She advises banks, financial investors, project developers and utilities in national and international project financings and M&A deals, such as the acquisition and financing of onshore and offshore wind farms, photovoltaic plants, infrastructure projects and real estate projects in and outside of Europe and the acquisition of companies active in such sectors.

Furthermore, she advises private equity funds and corporations on the financing of M&A transactions as well as with re-financings and corporate financings.

After she graduated from Ludwig-Maximilians University, Munich in 2017, she completed her legal traineeship in Munich and Chicago and qualified as a German lawyer in 2019.
