Biography:

Mario is a Partner in the Banking & Finance Group.

Mario has extensive experience advising financial institutions, as both borrowers and sponsors, on project and export finance transactions in the energy and infrastructure sectors. He also advises on major asset-based financings in the real estate, transport and sport sectors.

Further areas of expertise include complex debt restructuring and insolvency matters, assisting arrangers and borrowers on acquisition financings (both corporate and leveraged) and direct lending, fronted participation and private placement transactions.

Mario is recognised by legal directories Chambers Europe and Legal 500 EMEA as a leading Italian banking and finance lawyer with the latter noting in 2019 that clients “value his ability to find pragmatic solutions and help mitigate the risks of the transaction”.
