Biography:

Martín is an Associate in the Madrid Tax group.

He advises on direct and indirect tax matters both on a domestic and international level. He also advises on tax dispute resolution proceedings on a contentious-administrative and judicial level. Additionally, he has developed relevant projects in R&D.

Martín has experience in providing tax advice in relation to financings, M&A, restructurings, asset finance, with a particular focus on the renewable energy sector as well as real estate, maritime and aviation.

He also advises on tax structures which include asset finance tax lease transactions for ship financing and financing of aircraft (aeroplanes and helicopters).
