## **Biography:**

**Matthias is an Associate in the Dispute Resolution group in Hamburg.**

Matthias advises and represents German and international clients in all kinds of dispute resolution, including domestic and international litigation and arbitration. His experience includes pre-dispute strategy and settlement negotiations. Matthias has a focus on commercial, corporate, and post-M&A disputes in the energy, infrastructure and manufacturing sector.

In addition, Matthias counsels clients in all stages of contract drafting and enforcement as well as corporate and insolvency-related matters. His practise extends to domestic and international M&A transactions.
