Biography:

Natalie is an Associate in the dispute resolution team based in Dubai.

Natalie specialises in cross-border commercial, trust and fraud disputes, with experience in the English High Court, DIFC Courts, Dubai Courts and the DIFC-LCIA.

She has experience in complex, multi-jurisdictional disputes advising high net worth individuals, trustees and banks with experience in breach of contract, breach of fiduciary duties and fraud claims.

Prior to joining the firm, Natalie was a solicitor with a leading international firm in their London and Dubai offices. She also has in-house corporate and commercial experience with a blue-chip international FMCG company based in Dubai, with experience on a broad range of matters spanning joint ventures, advertising, employment and procurement. Natalie also has corporate governance and management consultancy experience in Bahrain during which time she headed the company secretarial service line and regularly advised international banks and property developers.
